About This Game

A long time ago somewhere in outer space there were only Fire and Water... This meant epic war, and nothing could stopped them... oh, well, except their mutual buddy Air. :)

United together, three fellows became ingenious, so creative, that could invent really anything!

Unleash the power of amazing colorful elements to perform a miracle of creation! Blast these gems of elemental magic and fill your very own world with wonders and marvel! Create the flourishing life full of color, joy and sweetness!

FEATURES:

- Connect colorful elements in chains and progress on the map!
- Combine base elements, such as fire, earth, air and water to create the entire new world!
- Play 100+ levels.
